Serving in worship as an usher and an acolyte is an important and required part of our confirmation ministry. Students will receive one service point each for ushering and acolyting on their scheduled Sunday (remember, you must fill out a service point form). At times, additional volunteers may be needed to help out another youth, service points will be awarded for volunteering as well as ushering or acolyting.

If you are unable to serve on your scheduled weekend, please make every effort to find a replacement by switching with another youth. I would appreciate you letting me know if a change is made, so that the worship insert, the usher captain and Pastor can be updated. In the event that you are unable to find a replacement please contact me as soon as possible, with a little notice I am often able to find other youth volunteers to fill in.

You must let me know if you are unable to serve on your scheduled Sunday!

Thank you for your continued service to God and Bay View. Your service is very much appreciated and enhances worship for our entire congregation.

Peace,

Donna Van Ramshorst
