

***Bay View In-Person Worship***  
***UPDATED Reopening Guidelines***  
***EFFECTIVE August 15, 2021***

***8am In-Person Worship***

- If you are fully vaccinated, masks are optional but encouraged. If you are NOT vaccinated, mask is required.
- The 8am in-person worship service will continue to be held in conjunction with the Facebook Live service.
- Please sign-in using the attendance pew pads. This is important for contact tracing if the need arises.
- The service will be projected on the screen in the sanctuary; no paper bulletins.
- The nursery will not be available at this time.

***10:30am In-Person Worship***

- Masks covering nose and mouth are REQUIRED for everyone upon entering the church for the protection of all our members especially children and those with weakened immune systems.
- Those leading the church service (Pastor Jeff and readers) may choose to remove their mask when speaking from the chancel area. Pastor Jeff will wear his mask during the children's sermon and during communion, as would the communion assistants.
- Please sign-in using the attendance pew pads. This is important for contact tracing if the need arises.
- The service will be projected on the screen in the sanctuary; no paper bulletins.
- The nursery will not be available at this time.
- The 10:30 service will continue to be broadcast to the parking lot.
  - Ushers will no longer be provided in the parking lot.
  - Please bring your own communion elements.
