HELP WANTED: CONSTITUTION COMMITTEE FORMING

Bay View's Constitution turned 10 years old this past January, and while in fair health it does need help to once again regain compliance with the ELCA Synod requirements and more importantly reflect the current needs of our congregation.

We're looking for people to share their knowledge of Bay View, you don't need to be a constitutional scholar to join.

RED GERANIUMS FOR PENTECOST

June 5 is Pentecost. We would like to continue the tradition of red geraniums for the altar. You are invited to bring your plant or plants of red geraniums to help decorate the altar. After the 10:30 service on Sunday you can take your plant(s) home.

You can bring your plants to church on Saturday, June 4th from 10 am till 11:30 am.

Another option: red carnations in a vase can be used.

If you have questions contact Peg Wepner, wepnerpeg@gmail.com

Thank you

VOLUNTEER SPOTLIGHT: PAULA WENDLAND

"If you have a gift, you should share it." This is Paula Wendland's stewardship philosophy.

Recently, you saw some of Paula's whimsical art displayed on a table in our foyer, art created to raise funds for current crises: victims of either the fire at Butch's Bar, or the war in Ukraine. She did something similar for Houston's Hurricane Harvey victims a few years ago.

Before the pandemic, Paula started an Art in Service group for adults at Bay View. (Yes, any adult can have a great time creating art! It's not just for kids!) That group decorated coffee mugs for the Fire Department, made place mats for Feed My People, and decorated T-shirts for Christ Care. She's also worked with the kids at our church, making sun catchers for the nursing homes, and leading them in exploring, and making signs for, the church's food forest.

Paula has two gardening projects in the works. Last summer she started a "backyard pocket food forest" in our green space across Ithaca Avenue. It's a carefully planned permaculture community of plants: ground cover strawberries, ground cover raspberries, honeyberries, rhubarb, hazelnut, plum. And flowers to share with shut-ins and Bay View neighbors! Take a look when the plants start sprouting this spring! And then there's the new meditation garden Paula designed, soon to be growing, right on Maple Street, where folks walking by will be able to sit awhile, pray, and enjoy the sights and smells of the plants Paula has gathered from her mother's garden.

Thank you, Paula, for sharing your gifts with Bay View, our community, and even beyond!
