BAY VIEW LUTHERAN CHURCH

CHURCH DIRECTORY

The church directory is coming soon! Thank you to everyone who had their picture taken. The church directory is a wonderful resource to help members reach out to and connect with one another. This church directory will list names of members and their phone number; no other personal information will be included. If you do not want your phone number listed, and you have not already expressed that desire, please contact the church office (920 743-4705) by Thursday, September 22

I can't thank you enough for sharing your love our Ukrainian neighbors. Your care and compassion are truly a light in the darkness, extending God's love into this heartbreaking situation. I've enclosed a photo, so you can see an example of your gift at work. Thank you again for your deep generosity.

Blessings,
Jonathan Bruck

ACTIVE THREAT EVENT PRESENTATION

Tuesday, September 20

6:00 - 8:00 PM

Presenter: Officer Dan Brinkman, Sturgeon Bay Police Dept.

Since the Columbine High School massacre in April, 1999, there has been a paradigm shift in how law enforcement AND civilians respond to active threat events. We now must work together to minimize casualties. We will discuss what law enforcement will do when that alarm sounds and how civilians have taken a more active role in reducing the number of deaths during these events. Civilians are now taught what they need to do to better survive an attack. Simply hiding in place and hoping the attacker will not find you is NOT an option and it never was. The audience will learn AVOID DENY DEFEND (ADD) and how ADD can save your life in an active threat event. The audience will hear what physiological changes occur with their body during a highly stressful event and what they can do to combat those changes in order to get back in the fight for survival. Lastly, we will discuss the importance of having a plan in place for an active threat event.

This presentation is not suitable for children. Any interested members are encouraged to attend.

GRIEF STUDY

Beginning on September 19th, we are going to be having a six-week study on Grief. It will be a one-hour session (6:00 - 7:00 pm). We will meet in Conference Room # 2. If attendance is bigger than room, we will move to Fellowship Hall.

Synopsis of the Study and the writer of the study:

Born out of her own deep grief experience, Collette is offering this six-session study, using Scripture to access and process grief. Each Scripture story is paired with one or more stages of grief. Participants are invited to access their grief through an opening meditation, then read the Scripture story and reflect on questions. Each session closes with a blessing, meant to remind participants that God is present and at work in the grieving process.
